

Notification of Change of Bank Details

Learna Limited has recently migrated its banking arrangements within Barclays from Barclays UK to Barclays Corporate.

As part of this change, our bank account details have changed with effect from 01.08.2026.

Please update your records and ensure that all future payments made to Learna Limited by bank transfer are directed to the following account details:

Account Name:	Learna Limited
Bank:	Barclays Bank PLC
Sort Code:	20-01-43
Account Number:	00956163
IBAN:	GB97 BARC 2001 4300 9561 63
SWIFT/BIC:	BARCGB22
Account Currency:	GBP

Please note: This change applies only to payments made directly to Learna Limited by bank transfer. If you make payments through one of our existing payment providers, such as Stripe or PayPal, no action is required and your existing payment arrangements remain unchanged.

Our previous account will remain operational for a limited transitional period. We would, however, ask that you update your records as soon as possible and use the new account details for all future bank transfer payments.

Independent verification of our bank details

We recognise that any notification of a change in bank details should be treated with appropriate caution.

This change can be independently verified on our official website at learna.ac.uk/bank-details.

If you wish to verify the change directly with us, please contact Learna using your existing contact details for us or the contact details published on our website. Please do not rely solely on contact details contained within an email notifying you of the change.

Yours sincerely

Rhys Draby
Finance Director
